

Playdough Recipe

Age Groups: Infant & Pre-school

Learning @ Home

You will need:

- 1 cup of cold water
- 1 cup of salt
- 2 teaspoons of vegetable oil
- 3 cups of flour
- 2 tablespoons of cornflour
- Food colouring

Directions:

1. Gather together all your ingredients.
2. Put the dry ingredients in a bowl and then slowly add water. Mix until it forms a nice dough.
3. It should be nice and easy to pick up and mould – add more flour if it is too sticky and more water if too dry. Knead it well with your hands to get all the food colouring to blend in.
4. Then the fun begins.....You can store your playdough in an airtight container or wrapped in cling film.

Top tips:

Add any coloured food colouring to your playdough.

Add glitter to make it sparkle.

Add some essential oils to make it fragranced.

Add grains (rice) for texture.

Provide cake cases / twigs / leaves / wild flowers / cutters – to allow young imaginations to flourish.
